

Let's Make Learning Work Webinar—Coordinating the Most Effective Elements of Learning in the Most Efficient Way

Description

Discover how to deliver a better learning experience for your employees.

Corporate training has been on a journey from learning to development to performance. But it has always been a challenge to coordinate the most effective elements of learning in the most efficient way. Join Kaplan presenters Dr. Ian Stewart, Executive Director of Learning, and Roben Graziadei, Segment Director for Leadership and Professional Development.
