

IFRS 17 Webinar – What, Why and How?

Description

IFRS 17 is a new international accounting standard effective on 1st January 2022. It will replace IFRS 4 and establish a specific IFRS model for the accounting of commercial contracts.

It does not matter if you are an insurer or not, IFRS 17 affects all kinds of organisations that provide any kind of insurance services. Starting in 2022, commercial contracts will have to be more transparent and follow the new accounting practices we will show you during the webinar.

Learn more about IFRS 17 by watching the webinar below. In this session, our expert will take you through:

- What is IFRS 17?
- How it will affect your commercial contracts?
- Why should you get ready now?
